

Mobil Extra 4T

Superior Performance Four-Stroke Motorcycle Engine Oil

Product Description

Mobil Extra 4T is a superior performance, semi-synthetic blend technology four-stroke motorcycle engine oil developed to provide boosted engine cleanliness and protection for all types of motorcycles and operation.

Features & Benefits

Mobil Extra 4T combines a unique blend of high quality mineral and synthesised hydrocarbon baseoils together with an advanced additive system to provide excellent engine cleanliness, wear protection and effective corrosion. Key features and benefits include:

Features	Advantages and Potential Benefits
Excellent wear protection	Longer engine component and overall engine life
Good thermal , oxidation stability and deposit control	Cleaner running engines resulting in smooth flawless operation
Excellent corrosion protection properties	Longer life of valve train and bearing components
Enhanced low temperature properties	Easier cold weather starting, longer electrical system life

Applications

Mobil Extra 4T is specifically recommended for lubrication of all types of four-stroke motorcycle engines, where the latest industry standard qualities are required.

Specifications & Approvals

Mobil Extra 4T meets or exceeds the following industry specifications:	
API SJ	X
JASO MA	X

Typical Properties

Filling	RN 4761 AD
Mobil Extra 4T	
SAE	10W-40
Viscosity, ASTM D 445	
cSt @ 40°C	98
cSt @ 100°C	14.4
Viscosity Index, ASTM D 2270	157
Sulfated Ash, wt%, ASTM D 874	0.9
Pour Point, °C, ASTM D 97	-30
Flash Point, °C, ASTM D 92	A
Density @ 15°C kg/l, ASTM D 4052	A

Health & Safety

Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request through your sales contract office, or via the Internet. This product should not be used for purposes other than its intended use. If disposing of used product, take care to protect the environment.
